## Cocoon

F e a C :||

I know that you must feel like facing with ruin,  
facing with ruin  
I messed it up as always, I'm afraid of losing, I'm  
afraid of losing  
I made you thinking oh, so wrong  
I made you feeling the worst  
And I don't know how to get along  
With myself when I'm weakened, when I'm weak-  
ened

So let's go back to our cocoon  
On the blackened afternoon  
I see your heart is bleeding too  
Let me bleed instead of you

I've been always playing  
Solid as I'm waving, solid as I'm waving  
So I became a liar, I've been underrating, over-  
estimated  
I made it really hard for you, hard for you to love  
me  
But there's so many things we could do  
And all we need is escaping, escaping

## Hero of War

F a B F | B F C C || d B F C :||

He said "Son  
Have you seen the world?  
Well what would you say  
If I said that you could?  
Just carry this gun  
You'll even get paid"  
I said, "That sounds pretty good"

Black leather boots  
Spit-shined so bright  
They cut off my hair  
But it looks alright  
We marched and we sang  
We all became friends

As we learned how to fight

A hero of war  
Yeah, that's what I'll be  
And when I come home  
They'll be damn proud of me  
I'll carry this flag  
To the grave if I must  
Cause it's a flag that I love  
And a flag that I trust

I kicked in the door  
I yelled my commands  
The children, they cried  
But I got my man  
We took him away  
A bag over his face  
From his family and his friends

They took off his clothes  
They pissed in his hands  
I told them to stop  
But then I joined in  
We beat him with guns  
And batons not just once  
But again and again

[Ref]

She walked  
Through bullets and haze  
I asked her to stop  
I begged her to stay  
But she pressed on  
So I lifted my gun  
And I fired away

And the shells  
jumped trough the smoke  
And into the sand  
That the blood now had soaked  
She collapsed  
with a flag in her hand  
A flag white as snow

A hero of war  
Is that what they see?  
Just medals and scars  
So damn proud of me  
And I brought home that flag  
Now it gathers dust  
But it's a flag that I love  
It's the only flag I trust

## Kristy are you doing okay

There's a moment in time  
And it's stuck in my mind  
Way back, when we were just kids  
Cause your eyes told the tale  
Of an act of betrayal  
I knew that somebody did

Oh, waves of time  
Seem to wash away  
The scenes of our crimes  
But for you this never ends

Can you stay strong?  
Can you go on?  
Kristy are you doing okay?  
A rose that won't bloom  
Winter's kept you  
Don't waste your whole life trying  
To get back what was taken away

Though the marks on your dress  
Had been neatly repressed  
I knew that something was wrong  
And I should have spoke out  
And I'm so sorry now  
I didn't know  
Cause we were so young

Oh, clouds of time  
Seem to rain on  
Innocence left behind  
And it never goes away

## Stolen Dance

a G F F | C C E E :|| F F C C | E E a G :||

I want you by my side  
So that I never feel alone again  
They've always been so kind  
But now they've brought you away from here  
I hope they didn't get your mind  
Your heart is too strong anyway  
We need to fetch back the time  
They have stolen from us

And I want you  
We can bring it on the floor  
You've never danced like this before  
We don't talk about it  
Dancin' on do the boogie all night long

Stoned in paradise, shouldn't talk about it

Coldest winter for me  
No sun is shining anymore  
The only thing I feel is pain  
Caused by absence of you  
Suspense is controlling my mind  
I cannot find the way out of here  
I want you by my side  
So that I never feel alone again
